DIRECTIONS TO STEWARDSHIP'S LOUGHTON OFFICES

From the South

Travelling north on the M25, exit at Junction 30 (A13) following the signs for central London. After approximately 8 miles (having passed the signs for Barking) take the A406 (north) exit at the Beckton roundabout. Follow the A406 north and get into lane for the M11 shortly after passing the A12 exit. Leave the motorway at Junction 5. At the first set of traffic lights turn left, then first right and right again. Oakwood House is situated at the end on the right.

From the North

If travelling clockwise on the M25, from the M1 or M40 direction, exit at Junction 26, signposted Waltham Abbey and Loughton. At the first roundabout, turn right and take the A121 towards Loughton, passing under a bridge and then left at the next roundabout, again towards Loughton. Follow this road uphill until you come to the Wake Arms roundabout – take the third exit marked Loughton (Goldings Hill). Come down the hill into Loughton and at the foot of the hill turn left at the second of two mini roundabouts into Rectory Lane (A113) towards London M11 and Chigwell. Follow this road until you pass under a railway bridge, then move into the right hand filter lane to turn right at the traffic lights. After turning, take the first right and right again. Oakwood House is situated at the end on the right.

Travelling south on the M11, exit at Junction 7 and take the B1393 through Epping. Keep on this road for a further 3 miles until you reach the Wake Arms roundabout – take the second exit marked Loughton (Goldings Hill). Follow the road into Loughton and at the bottom of the hill turn left at the second of two mini roundabouts into Rectory Lane (A113) towards London M11 and Chigwell. Follow this road until you pass under a railway bridge, then move into the right hand filter lane to turn right at the traffic lights. After turning, take the first right and right again. Oakwood House is situated at the end on the right.

By Tube

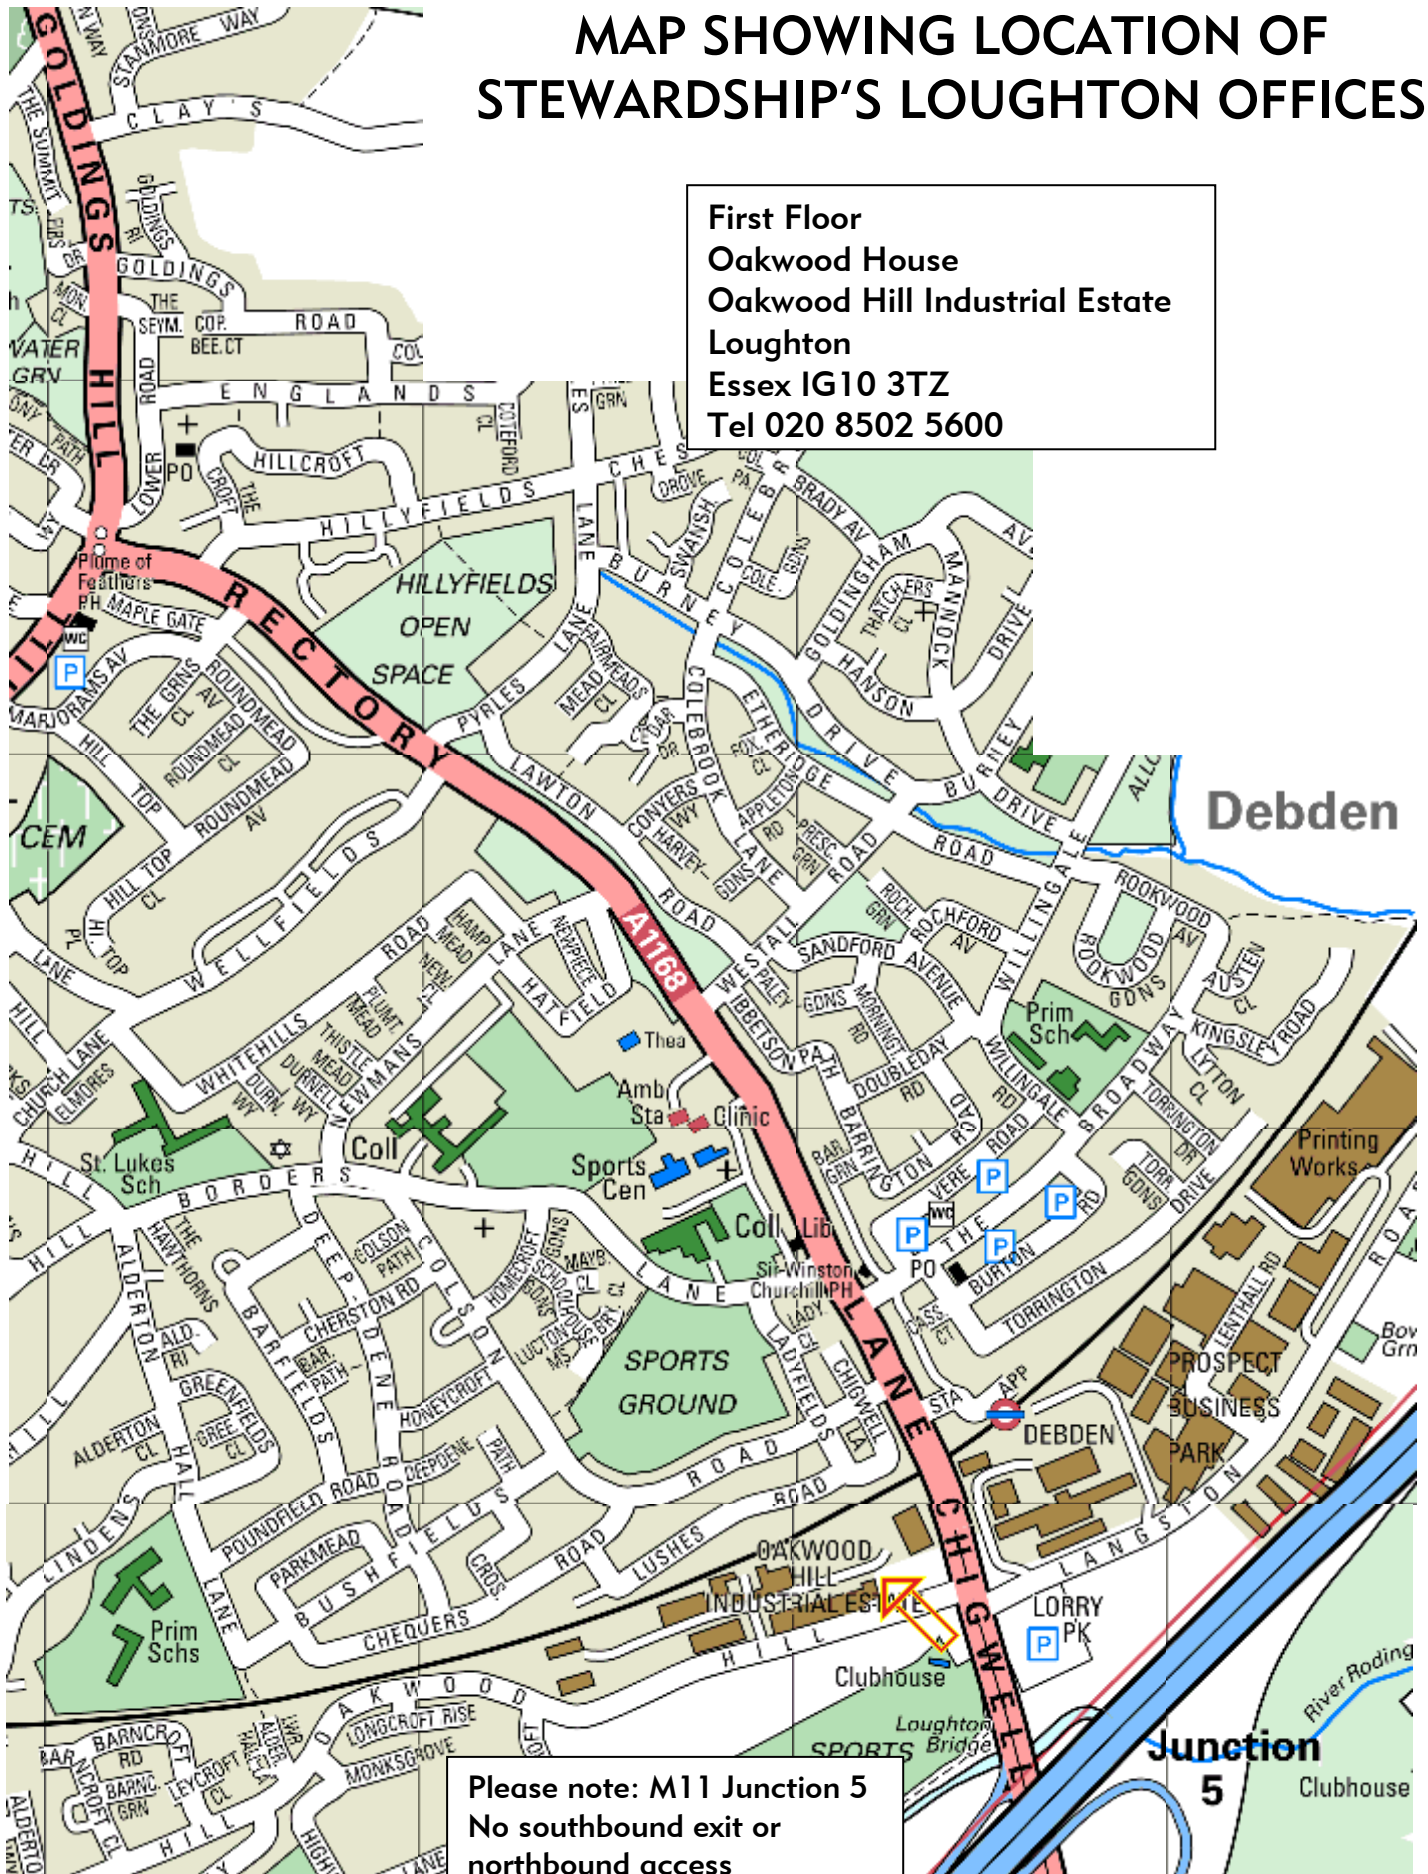

The nearest tube station is Debden which is on the Central Line and approximately 5 minutes' walk from our offices (see plan). Debden is in zone 6 on the Epping branch line and therefore only trains marked either Epping or Debden should be taken. When approaching the office by foot, there is a shortcut via a pedestrian footpath on the right approximately 50 metres before the turning into Oakwood Hill. Oakwood House is then on your left.
