job overview

Post:	Accounts Technician. A full time post reporting to the Head of Accounting Services.
Location:	1 Lamb's Passage, London, EC1Y 8AB.
Salary:	£24,000 - £30,000 per annum (depending upon experience).
Closing date:	31 January 2019 (interview process will start week commencing 4 February 2019).

background

In the autumn of 1906, eleven men gathered around a table to witness the birth of the United Kingdom Evangelization Trust (UKET). Progressive for its time, UKET's primary function was to hold in trust resources generously given by its members for Christian based philanthropy.

Fast forward 113 years and Stewardship remains a progressive pioneer of generosity; receiving, investing and releasing around £70 million of charitable giving each year. Having undergone radical growth through numerous mergers, Stewardship is now proud to be the 8th largest faith based charity.

In recent times, Stewardship has started a journey of transformation; from a traditional transactional service provider, to an innovative and technically-orientated professional services company. The transformation has involved changing some of our core functions, with growth in our educational work (including generosity campaigns like 40acts) and continued investment into our hugely popular online giving account.

We also specialise in supporting church plants, fast growing churches and Christian charities to develop strong and biblically sound approaches to their finances and governance.

As part of this, we offer an annual accounts preparation and review service for churches and charities, principally with an annual income of £25,000 to £1,000,000. Staffed by experienced accountants with church experience, our service includes examination of accounts as well as the preparation of annual accounts.

The aim is not just to work on the accounts, but to provide advice to clients on a wide area of financial wisdom, governance and regulation, along with training and educational services as needed.

We are now recruiting for an Accounts Technician, based at our offices in the City. This is an opportunity to work amongst a small team, working to support churches and Christian charities through finance and play a significant part in driving forward our mission.

mission, vision and values

Our vision is for the world to encounter Jesus through the generosity of His church.

Our mission is **transforming generosity**:

We make giving easy and help over 25,000 individuals to give around £70 million each year, to our database of over 19,000 charitable causes. We help people organise all of their charitable giving from the first gift to the last, any amount at any age, using their Stewardship giving account. We are also a Payroll Giving agent and our online fundraising website, give.net, helps hundreds of causes raise more money each year.

We inspire greater generosity from the Christian community too, through our wealth of resources, courses and campaigns for individuals and churches alike. We challenge and provoke the church to teach more effectively on generosity. Our own generosity campaigns and resources, including the award-winning 40acts, attract thousands each year.

We strengthen Christian causes by offering practical, tailored financial and legal support to help Churches and Christian charities to transform the world. We offer a range of professional, legal and financial support services to churches, charities and individuals.

At our core, as believers in Jesus Christ, are the biblical values of:

Generosity Integrity Relationship Excellence

Occupational Requirement (OR)

As a result of our Christian ethos, this post is covered by an Occupational Requirement (OR) under the Equality Act 2010. The successful applicant will be expected to be a practising Christian and to clearly demonstrate a personal commitment to the mission, principles, values and practices contained in our Ethos Statement.
