K. Terms of Use

1. Stewardship runs a donor advised fund, which is a type of charitable giving vehicle which makes it tax-effective and easy to give. As such, all funds Gifted into a Stewardship Giving Account are Stewardship's and become part of our charitable funds. Givers can make requests to make Donations to Recipients. Funds that have been Gifted to Stewardship are irrevocable, outright Gifts from the Giver to us and cannot be returned.
2. Funds in a Recipient Account are Stewardship's and part of our charitable funds. All Grants paid to Recipients are made at the discretion of Stewardship's Trustees. Stewardship reserves the right to not make a Grant to a particular Recipient. These situations are rare but as a Christian charity an example would be that we cannot give to a charity advancing another faith.
3. Stewardship will deduct from Giving or Recipient Accounts all costs and expenses that it incurs in connection with the operation and administration of our giving services. Information in relation to these costs can be found at stewardship.org.uk/pricing and may be subject to change.
4. As Stewardship is a registered charity, Recipients must ensure that all Grants are used for purposes that are charitable under English and Welsh law, within Stewardship's charitable objects and for specific purposes we agree with you.
5. Neither a Giver nor any of their Close Relatives can derive any benefit from any Gifts or any income deriving from the Gifts that have been received by Stewardship. For example, any Gift made into a Giving Account with Stewardship cannot be used to pay for goods, services or events provided to a Giver or any of the Giver's Close Relatives.
6. Grants paid to registered Recipients must be used in line with these terms and conditions and the information provided in the Recipient's Recipient Application Form. Further details on some restrictions that apply to different types of Recipients are set out in these terms and conditions.
7. To see full details of our Terms of Use, including definitions of terms used above, please refer to stewardship.org.uk/terms/recipients.

L. Confirmation and Declaration

- I/we confirm that the above details are correct. I/we undertake to inform you immediately when my/our time in this area of work/study ends or my/our income and/or circumstances change significantly. I/we understand that this may mean that grants to me/us have to cease and may have to be repaid if there is undue delay on my/our part. I/we confirm that I/we have read and understood the application guidance notes with this application and that I/we give my/our permission for Stewardship to verify my/our identity with an external agency, where necessary.
- I/we understand that Stewardship has a zero tolerance policy towards bribery and corruption, and therefore confirm that none of the grants I/we receive will be used to bribe any person or organisation in any part of the world, or otherwise in a way that would breach the requirements of the UK Bribery Act 2010.
- I/we confirm that I/we have read, understood and agree to the Terms of Use.

For Christian workers:

- I/we understand the prohibition on close relative's giving accounts being used to fund payments to me/us for anything other than ministry expenses (the level of which is to be approved by Stewardship). Please see guidance note 6 for further details.

For Bible College students and those in combined Christian work and study:

- I/we confirm that my/our training will be for the purposes of preparing myself/ourselves for full-time Christian service and understand the prohibition on close relative's giving accounts being used to fund payments to support me/us. Please see guidance note 6 for further details.

Individual Recipient Application Form

Application Guidance Notes

1 Introduction

All funds given belong to Stewardship and all grants from Stewardship to you are at the sole discretion of our trustees.

2 Your Ministry/fund name (Section C)

Stewardship is delighted to make grant payments to many Christian workers and Bible College students, in partnership with their supporters. As part of our work with UK charity regulators, we require a short but descriptive ministry/fund name (not exceeding 70 characters) to be allocated for each individual recipient's account:

- 2.1 For Christian workers, an appropriate ministry fund name for your account will need to reflect the general nature of your work, together with the geographic location in which this work takes place. Please complete this information in Section C. If you are working in a sensitive location or in more than one location, please indicate this in the space provided under the heading 'The location of my ministry/work' in Section C. An alternative to naming a specific country might be to name a region of the world, or to use 'worldwide' where your ministry is an itinerant one. For example, your ministry name may read 'Church Leadership, Chelmsford', 'Evangelism, South Africa', or 'Training development, worldwide.' A ministry fund name may be used more than once by Stewardship for those individuals undertaking the same (or a similar) work/role in the same location.
- 2.2 In the case of full-time Bible College students, Stewardship will automatically allocate a ministry fund name to an applicant's account. For example: 'Bible Education at X College'.

Please contact Stewardship if you have any queries regarding the allocation of a ministry fund name.

3 Change in circumstances

- 3.1 We must be informed if there is a significant change in your activities or income.
- 3.2 In the event of undue delay in you notifying Stewardship of a significant change in your circumstances, you may be required to repay grants received from Stewardship.
- 3.3 In the event that you become ineligible to receive support from Stewardship, no funds that have been given to us can be returned to the givers, but they are free to request donations to other recipients.

4 Establishing eligibility

- 4.1 Our questions relating to how your time is spent on a weekly basis, and the income you receive, is required so that we can assess whether or not making grants to support your work will represent a charitable application of our funds. It may be necessary for us to ask supplementary questions for the same reason.

- 4.2 Bible College students: In order to qualify for Stewardship funding, you must be clear that charitable public benefit will ultimately arise from your studies. For Stewardship's purposes, we regret that it will not be sufficient for your study to be purely an academic exercise, resulting only in you gaining an additional qualification.

- 4.3 UK nationals: Stewardship requires your National Insurance number and written confirmation from the organisation you are working / studying with.

- 4.4 Non-UK nationals:

i) **Working / studying with a UK-based organisation or Bible College**

It will be sufficient for the UK-based organisation or Bible College to provide a letter on its official note paper confirming your work / study with it. If you do not hold a UK bank account, please contact us for a separate form which you can use to provide us with non UK bank account details, but please see next point.

ii) **Based outside the UK and not attached to a UK-based organisation or Bible College**

We regret that we cannot make grants in these circumstances.

5 Short-term and trainee workers

Those in Christian work for less than 6 months or at Bible College for less than 1 academic year cannot be recognised as being eligible to receive grants from Stewardship. We assess on a case-by-case basis the eligibility of those combining Christian work with participation in a training course.

6 Gifts from close relatives

Under the Gift Aid rules, certain restrictions apply to donation requests from someone who is a close relative. The term 'close relative' means child, grandchild, parent, grandparent, brother, sister, or the spouse of any of these.

- 6.1 Information for Bible College students
Bible College students and those in combined Christian work and study or internships cannot receive grants funded by gifts from close relatives.

- 6.2 Information for full-time Christian workers
The current guidelines relating to 'close relative' donation requests are as follows:

- i. You will only be able to receive grants funded by gifts from a close relative if the requested donation is intended for ministry expenses rather than your living costs.
- ii. By 'ministry expenses' we mean the cost of equipment, training, materials, travel for ministry purposes and other facilities relating directly to your ministry/work.

- iii. By 'living costs' we mean basic accommodation, food and other general living expenses.
- iv. If the grants funded by gifts from close relatives exceed your ministry expenses, you must contact us. In the event of undue delay in you notifying Stewardship of this, you may be required to repay grants received from Stewardship.
- v. If your ministry expenses exceed £2,000pa, we may ask you to substantiate them with receipts etc.
- vi. If you need further help on this point, please do talk to us.

7 Personal details (Section E)

You only need to complete this section if you anticipate receiving grants in excess of £1,500 per annum from Stewardship. In the event of this threshold being exceeded, Stewardship will contact you for this additional information before reassessing your eligibility to receive further grants.

- 7.1 We require your best estimate of your income for the next 12 months to the nearest thousand pounds.
- 7.2 'Paid employment' refers to work with a salaried income. Gifts, grants, bursaries etc. not received from Stewardship should be included in 'Other Income' (see below).
- 7.3 If a manse or other living accommodation is occupied rent free by virtue of the work you are doing, and/or payments are received in respect of accommodation heating and lighting, please include in your estimate for 'paid employment' a figure in respect of these benefits-in-kind. If you receive benefits-in-kind for which you are unable to provide a value, please provide details in a covering letter.
- 7.4 'Investment income' includes interest on bank and other savings accounts and dividends.
- 7.5 'Rental income' is rental income, minus any mortgage payments and associated management fees. Please note that if this calculation would result in a negative figure, please insert a zero value.
- 7.6 'Other income':
 - i. This includes grants, bursaries regular gifts from churches or charities and gifts outside of Stewardship. Income from state benefits does not need to be disclosed for these purposes.
 - ii. If you receive 'other income' from a number of different sources, please provide a breakdown in a separate note or letter.

8 Additional users (Section A)

If you would like to add an additional user to your account we will be able to provide account information to both users. We will only be able to provide account information relating to the period of time both parties are users.

Both parties will be provided with log in details to enable you to have access to account reports online.

Both parties agree to contact us to advise us of any significant changes to the ministry/role being undertaken, your income situation, or your circumstances (please refer to note 3).

9 Course fees / ministry expenses (Section E)

- 9.1 Course fees:
These are the course fees charged by your Bible College, which may or may not include food and accommodation, depending on the nature of the college and course. Please provide a full breakdown of your course fees using a separate sheet if necessary.
- 9.2 Ministry expenses:
 - i. If you anticipate your ministry expenses exceeding £2,000 per annum, please complete the ministry expenses breakdown fields (Section E of this form).
 - ii. Do not include any expenses which you anticipate will be reimbursed to you by the organisation you work with.
 - iii. For a definition of ministry expenses please refer to note 6.2 (ii).

10 Tax treatment of grants from Stewardship

- 10.1 If approved, Stewardship is able to make tax-effective, charitable grants to you as a private individual due to Stewardship's charitable aims and objectives, your vocation and personal financial circumstances.
- 10.2 For Christian workers: Following on from this, our understanding and interpretation of tax law is that grants that you receive from Stewardship would be subject to UK income tax and in our view, form part of your income for tax credits purposes, since they are given in most instances because of the vocation that you have as a Christian worker.
- 10.3 For Bible College students: If you are in any doubt about your own personal position in relation to this, we recommend that you seek appropriate professional advice.
