Salary:	£40,000 p.a. with a discretionary commissions-based end-of-year bonus

Why this position is important to us

In recent times, Stewardship has started a journey of transformation; from a traditional transactional service provider, to an innovative and technically-orientated ministry with a big ambition to release over £250m of giving in to the Church, every year, by 2025.

Our portfolio of services is now both specialist and diverse, and includes digital giving products, accounts examination and payroll services, loans and deposits for churches and charities, and the specialist support of individuals in Christian ministry.

This role will have a pivotal part to play in the achieving our ambitious targets for releasing resource into the Kingdom. As a relatively new service Stewardship America is in need of someone to help mould and shape the offering and this will have a direct impact on our donors and the recipients we're able to serve.

The impact you will have in this role

We are in the business of helping our clients to discover, or rediscover, the joy of giving.

As a Relationship Manager you will be directly engaging with donors to release them from the burdens associated with giving needs that are more complex. You will be instrumental in helping to connect individuals and families with resources to help them to maximise the impact of their generosity. Additionally, because this is a relatively new service your input and expertise will help to develop the direction of the service ultimately meaning we will see more resource released into Kingdom works around the world.

Welcome to Stewardship

Big or small. First or last. Given or received. We make every gift count.

We're a place where connection happens - where those called to give meet those called to go. A community of generous stewards uniting to use all God has given us to love Him, love one another, and love our neighbours as ourselves.

We help Christians give and we strengthen the causes they give to.

We call this **Active Generosity**.

Our vision and values

Our vision is for the world to encounter Jesus through the generosity of His church.

At our core, as believers in Jesus Christ, are the biblical values of:

Generosity

Integrity

Relationship

Excellence

For over 100 years, we've helped Christians, charities and churches activate generosity, resource their calling and make a difference in Jesus' name.

In 1906, Stewardship was created by a small group of Christians uniting to release generous gifts and financial support to Christian ministries in the UK and overseas. Among their number were professionals and philanthropists, chemists and church planters, factory workers and evangelists, with each giving as they were able.

Today, we help over 40,000 people live out their calling to be generous stewards, giving more than £100 million each year to over 6,000 churches, 2,500 Christian workers and 4,500 charities.

Our methods have changed, but our mission remains the same.
